

# RED SHIRT PROJECT

PICK YOUR  
CAUSE &  
PHOTOSHOP

Pick a cause and share it with the world while learning Photoshop. You will learn the basics of Photoshop like: selection, re-size, move, layers, text, panels and more while creating a movement for a cause which is dear to your heart.

DESIGN BEYOND YOUR WORLD

# DIRECTIONS

Welcome to Photoshop. You will learn the basics of Photoshop with the guidance of the teacher. To make your new journey in Photoshop a little more exciting you will design a red t-shirt for a cause. You can pick any school appropriate cause. The teacher will instruct you on how to add a slogan and icon onto your t-shirt as well as placing a person of your choice to represent your cause to be dressed in your t-shirt.

## Steps

1. Plan, think of a cause. Sketch out your slogan, icon and person.
2. Learn with the teacher and apply your new skills to create your slogan, icon and person.
3. Submit file. Place your completed file into a Google Doc. Also, in this Google Doc provide 3-4 sentences explaining how your cause of choice is connected to your life with a brief explanation on your slogan and person.
